

## Cloud Security Alliance Australia Summit 2023 – Call for Presentations

*10<sup>th</sup> February 2023 | The University of Queensland | Brisbane, Australia*

**We'd like to invite you to submit your presentations for the Cloud Security Alliance Australia Summit 2023 to be held on 10<sup>th</sup> February 2023.**

The CSA Australia Summit aims to provide a forum for practitioners from both industry and government to share their latest research contributions, security solutions, novel applications, future vision in the field, and potential impact across industries of the cloud computing ecosystem.

The CSA Australia Summit is soliciting high quality presentations addressing Australian business requirements, new applications, Australian problem solutions and practical experiences in the areas of Cloud Computing Security, including Communications, Networking, Hybrid Clouds, Data Security, CI/CD & DevSecOps, ML & AI, and Cloud Native Technologies & Development. Presentations should present material relevant to Australian/Australasian/APAC business and new or emerging technology, novel applications, governance, research, practical experiences or experimentation.

### Important Dates:

Presentation proposal submission deadline: **Friday 9<sup>th</sup> December 2022**

Notification of proposal acceptance begins: **Monday 19<sup>th</sup> December 2022**

CSA Australia Summit Date (one day only): **Friday 10<sup>th</sup> February 2023**

**Submission Guidelines:** You do **not** need to submit your slides for the presentation proposal!

Each presentation will be reviewed by the Program Committee. The acceptance decisions will take into account topic novelty, business or technical depth, and Australian/Australasian/APAC relevance.

Please provide a clear idea of the proposed presentation content and key points, noting:

- The technical content level (general audience/some technical knowledge/highly technical)
- The target audience (developers/operators/business/managers/executive)
- Australian/Australasian/APAC relevance.

Presentations with a purpose to solely promote specific products or services will not be accepted.

Panel discussion submissions must include the written acceptance of all the proposed participants.

Send your submissions to <https://easychair.org/conferences/?conf=csaa2023>

### Program Committee:

Dr Naipeng Dong	Cyber Security and Software Engineering
Gary Gaskell	Cyber Security Specialist and Trainer
Prof Ryan Ko	Chair and Director, UQ Cyber
Dr Abigail Koay	Research Fellow in Cyber Security
Dr David Ross	Managing Director, Antacs Group
Jamie Wilson	Founder, Cryptoloc
Jason Wood	Co-Founder and Principal Consultant, Fortian

*Looking forward to your submissions.*

*Regards, the Program Committee, Cloud Security Alliance Australia Summit 2023.*
