

Hello,

You have been granted access to the CCSK Exam.

This process will grant you 2 attempts at the CCSK Exam. Each candidate has a 60-day window to cover the content and sit for their exam.

It is recommended you continue to use your Deloitte email address for the program for tracking purposes.

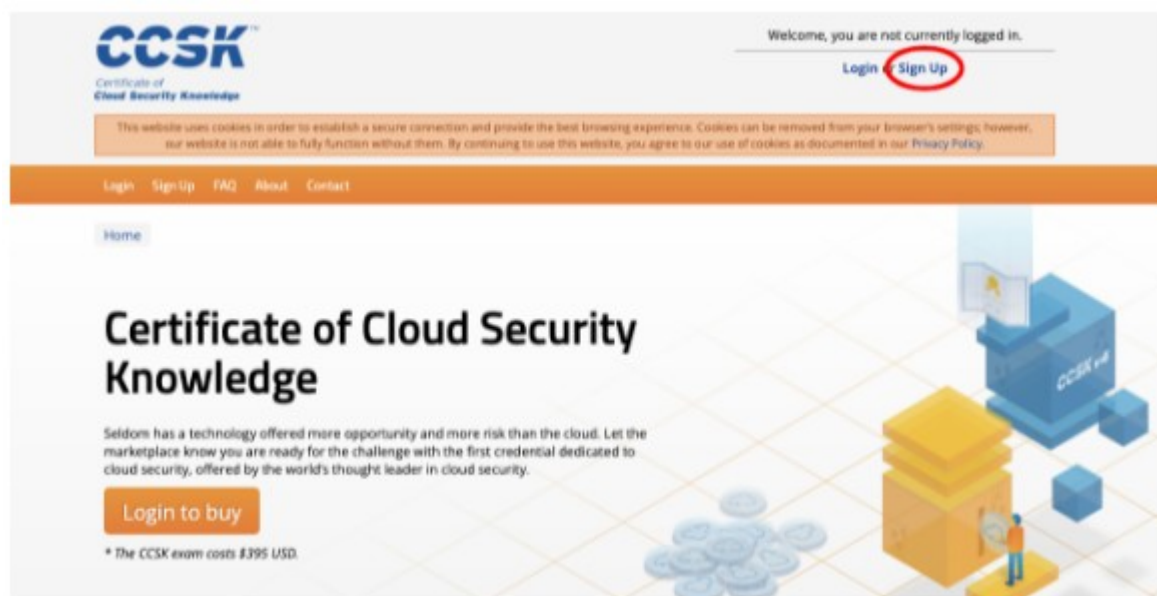

Below you will find the three sections on how to access the course and register for the exam.

- Signing up for the CCSK Exam
- Additional Information and Study Guide

Please don't hesitate to reach out to us at support@cloudsecurityalliance.org if you have any questions. Good luck on the CCSK exam!

Signing up for the CCSK Exam

1. [Create Your CCSK Account Here](#) using the Sign Up Link.

2. To claim the Exam, you must create an account on the CCSK exam platform by using your **Deloitte** email.

Certificate of
Cloud Security Knowledge

5. When you have set up your account, your exam access should be automatically applied to your account.

6. You will then be prepared to take the Exam by setting up the “Take Exam” link. To download a pdf version of these instructions click [here](#).

Additional Information and Study Guide

You can also download the CCSK Preparation Kit for free here: [CCSK Study Guide](#). This guide breaks down the topics covered in the CCSK and provides sample questions from the Exam. It also includes links to study resources and the three documents you will need to read and understand in order to pass the Exam:

1. [CSA Security Guidance v4](#)
2. [Cloud Controls Matrix v3.0.1](#)
3. [ENISA Recommendations](#)
