

Signing up for the CCSK Exam

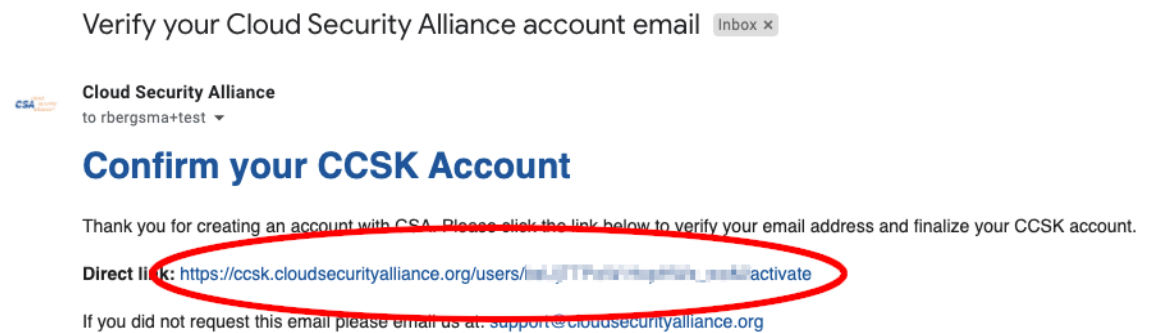

1. To sign up for your Exam, you will require a different account than the one for the course. When you are ready, go to the CCSK website to sign up for the Exam.
2. [Create Your CCSK Account Here](#) using the Sign Up Link.

3. To claim the Exam, you must create an account on the CCSK exam platform by using your **Deloitte** email.

The screenshot shows the "Create your CCSK Account" form on the CCSK website. The form is titled "Create your CCSK Account" and includes the following fields: First Name (John), Last Name (Doe), Country (United States), Email (YourEmail@deloitte.com), Confirm Email (YourEmail@deloitte.com), Backup Email (YourPersonalEmail@OtherEmail.com), Organization (Deloitte), and Phone (+1 (999) 999-9999). There are also password fields for Password and Confirm Password. Below the form, there are three checkboxes: "By signing up you agree to our Terms and Conditions and that you have read our Privacy Policy.", "Examination questions are confidential and may not be copied or shared under any circumstances. I understand and agree to this condition.", and "Email me exclusive invites, research, offers, and news from CSA." A "Create my account" button is at the bottom, with a link "Already have an account?" below it.

4. After you have signed up for your account, you will receive an email containing a link to verify your account email on our system (this may take several minutes). Once you receive the email click the verification link.

5. When you have completed the verification process, you will be able to sign in to your account.

A screenshot of the 'Log in to the CCSK' login form. The title 'Log in to the CCSK' is at the top. Below it, the text says: 'Log into your account to continue. If you do not have a CCSK Account, you may create one here.' There are two input fields: 'Email' with the value 'YourEmail@deloitte.com' and 'Password' with masked characters '.....'. Below the password field is a checkbox labeled 'Remember me' which is checked. There are two buttons: 'Login' (orange) and 'Sign Up' (blue). Below the buttons is a link: 'Did you forget your password? - Reset Your Password'. At the bottom, there are four social media login buttons: 'G Google' (red), 'in LinkedIn' (blue), 'Microsoft' (white with blue icon), and 'Twitter' (blue).

6. When you have set up your account, your exam access should be automatically applied to your account.
7. You will then be prepared to take the Exam by setting up the “Take Exam” link.

Additional Information and Study Guide

You can also download the CCSK Preparation Kit for free here: [CCSK Study Guide](#). This guide breaks down the topics covered in the CCSK and provides sample questions from the Exam. It also includes links to study resources and the three documents you will need to read and understand in order to pass the Exam:

1. [CSA Security Guidance v4](#)
2. [Cloud Controls Matrix V3.0.1](#)
3. [ENISA Recommendations](#)
