

Hello,

You have been granted access to the CCSK Foundation Course and the CCSK Exam.

This includes access to both the CCSK Foundation Course and 2 attempts at the CCSK Exam. The course includes 16 hours of virtual training. Each candidate has a 60-day window to cover the content and sit for their exam.

It is recommended you continue to use your Deloitte email address for the program for tracking purposes.

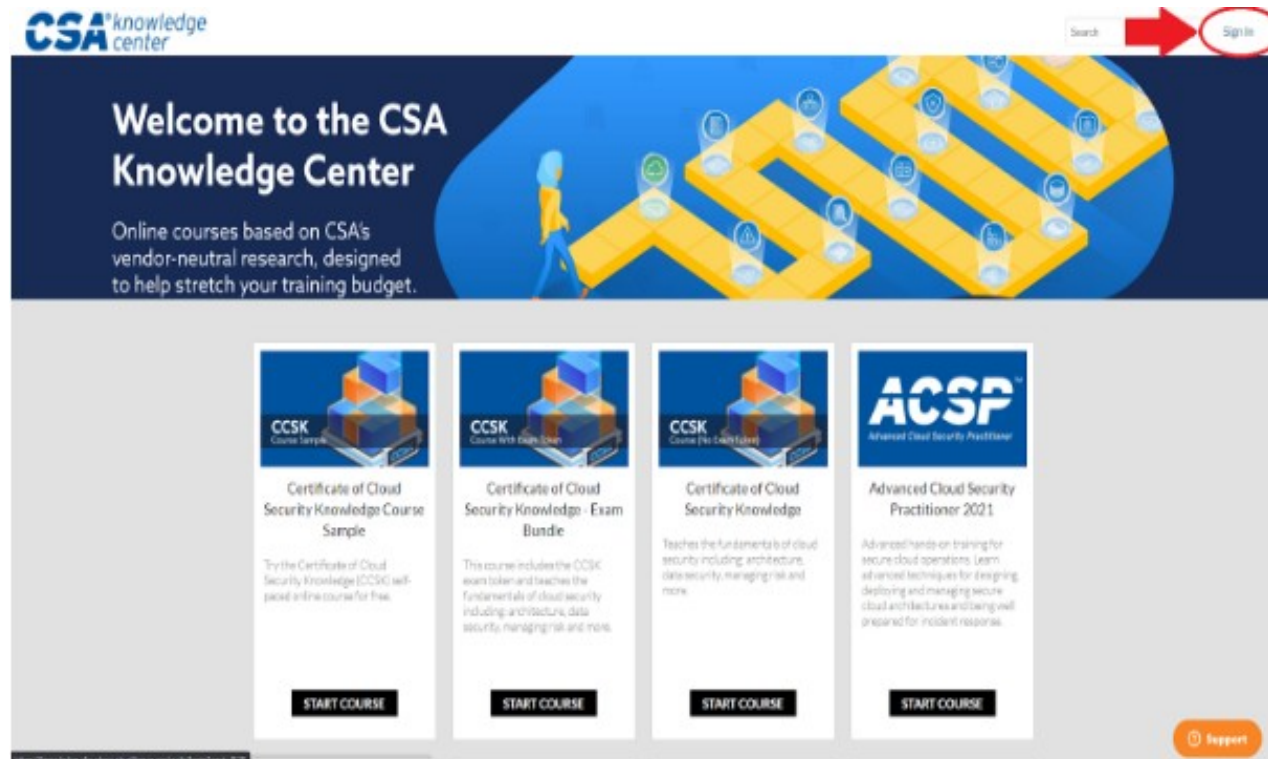

Below you will find the three sections on how to access the course and register for the exam.

- Instructions to Sign-up for the CCSK Foundation Course
- Signing up for the CCSK Exam
- Additional Information and Study Guide

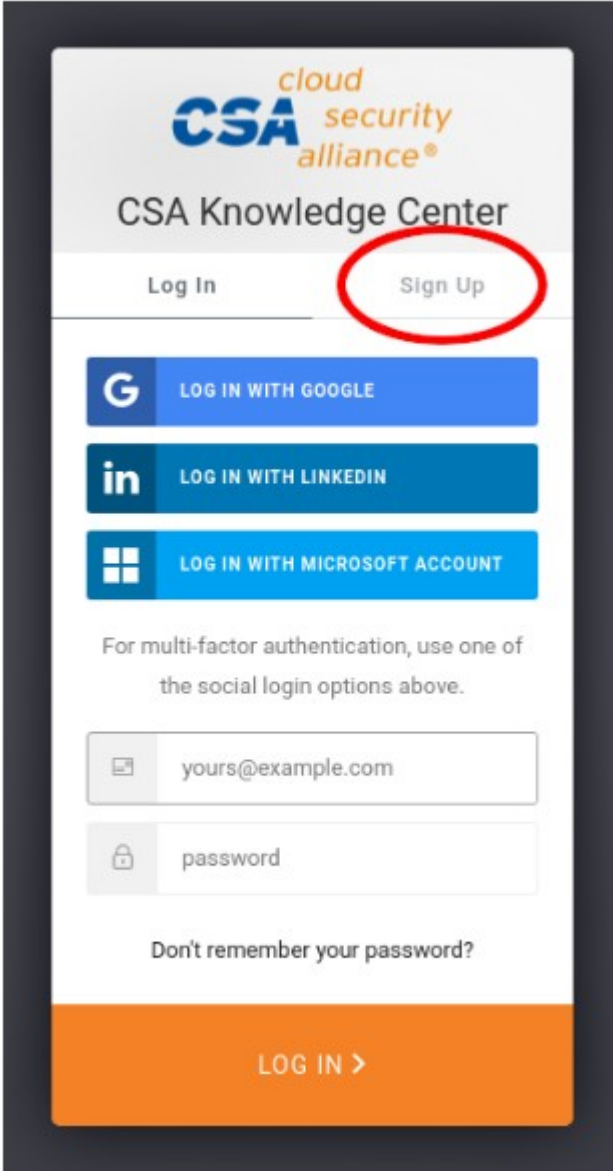

Please don't hesitate to reach out to us at support@cloudsecurityalliance.org if you have any questions. Good luck on the CCSK exam!

Instructions to Sign-up for the CCSK Foundation Course

1. Sign in for the [Knowledge Center Website](#).

2. Click on “Sign Up”. Enter your **Deloitte email** and create a password. You must use your Deloitte email in order to access the course.

The image shows a mobile application interface for the CSA Knowledge Center. At the top, the logo for the Cloud Security Alliance (CSA) is displayed, with the text "cloud security alliance®" in orange and blue. Below the logo, the title "CSA Knowledge Center" is shown. There are two buttons: "Log In" and "Sign Up". The "Sign Up" button is circled in red. Below these buttons are three social login options: "LOG IN WITH GOOGLE", "LOG IN WITH LINKEDIN", and "LOG IN WITH MICROSOFT ACCOUNT". Each option has a corresponding icon (Google 'G', LinkedIn 'in', and Microsoft logo). Below the social login options, a message states: "For multi-factor authentication, use one of the social login options above." There are two input fields: one for email (containing "yours@example.com") and one for password (containing "password"). Below the password field is a link that says "Don't remember your password?". At the bottom, there is a large orange button labeled "LOG IN >".

☒ I agree to the CSA Knowledge Center terms and conditions above. *

Privacy Policy - Effective December 23, 2019

We are the Cloud Security Alliance, with registered offices at 709 Dupont St, Bellingham, WA 98225, USA (herein after "CSA", "we", "us") and we are committed to protecting your privacy as a user of this website, as well as when you use any related CSA portals, view our blogs, participate in our webinars and when you make use of any of our online services ("Website"). This Privacy Policy has been written in order to allow you to understand our policy regarding your privacy, as well as how your personal information will be handled when you use the Website.

In general, we may collect information and data that you provide to us over the Website, but we may also gather information and data on you through the Website when you make use of our services, when you send us e-mails, when you register for or attend any events which we host/promote, or when you interact with CSA representatives. This is described in Section 3 below.

Any personal data which we collect will be processed in a lawful, fair and transparent manner. To this end, and as further described below, CSA takes into consideration internationally recognized principles governing the processing of personal data, such as the principles of purpose limitation, storage limitation, data minimization, data quality and confidentiality.

Contents

☒ I agree to the CSA Knowledge Center privacy policy above. *

CSA is a community driven organization. We would like to send you updates about our ongoing initiatives and opportunities to participate.

☒ Yes, sounds good.

☐ No thank you.

By opting into this agreement I am indicating that I want to receive email updates from CSA on related projects. (Marketing purposes, Section 3 of the [Privacy Policy](#)).

Complete Registration

5. After you have signed up for your account, you will receive an email containing a link to verify your account email on our system. Once you receive the email click the verification link.

Please verify your CSA account

Signing up for the CCSK Exam

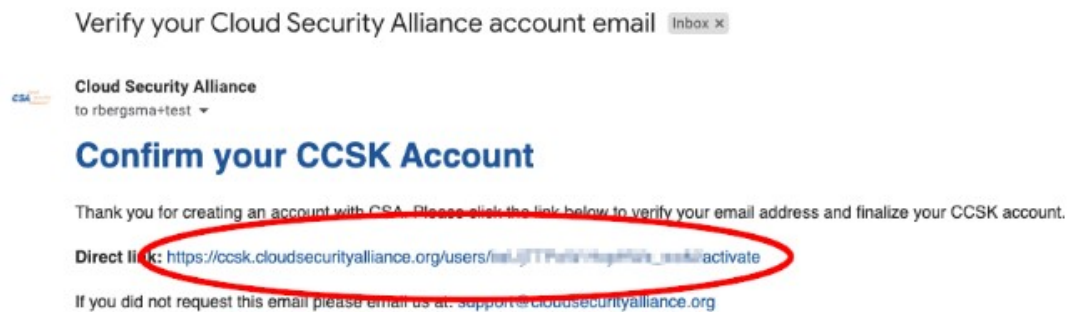

1. To sign up for your Exam, you will require a different account than the one for the course. When you are ready, go to the CCSK website to sign up for the Exam.
2. [Create Your CCSK Account Here](#) using the Sign Up Link.

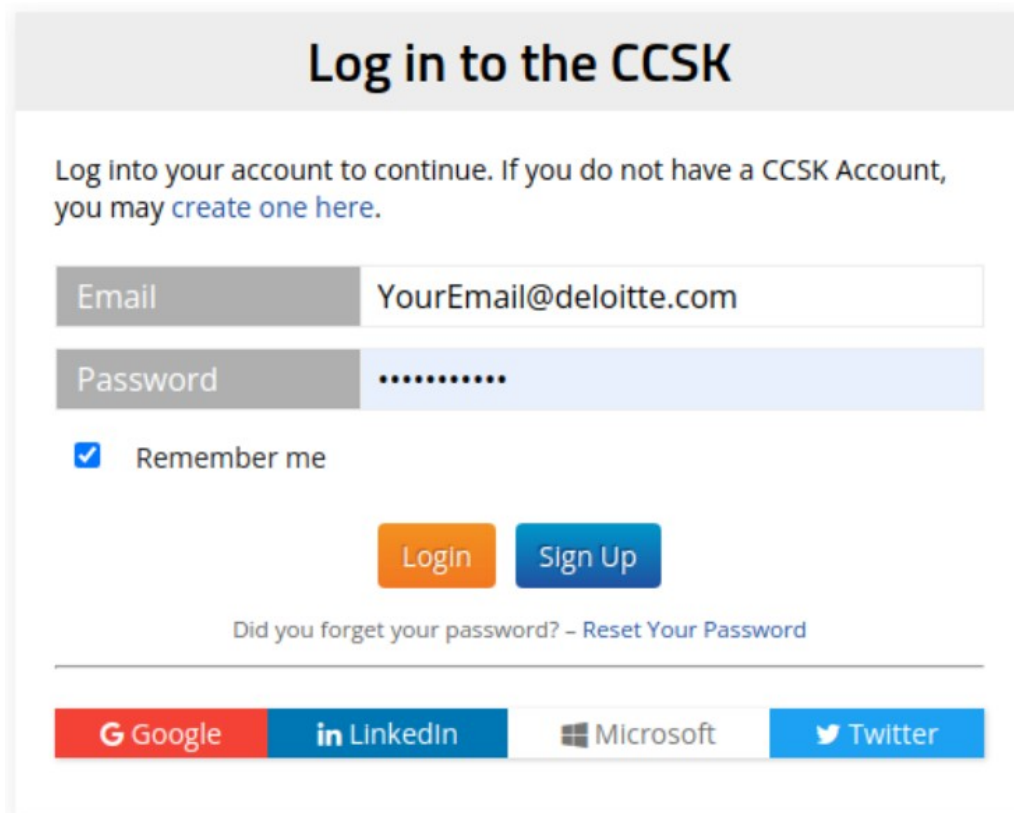

3. To claim the Exam, you must create an account on the CCSK exam platform by using your **Deloitte** email.

The screenshot shows the 'Create your CCSK Account' form on the CCSK website. The form is titled 'Create your CCSK Account' and includes fields for 'First Name', 'Last Name', 'Country', 'Email', 'Confirm Email', 'Backup Email', 'Organization', and 'Phone'. Below these fields are password fields for 'Password' and 'Confirm Password'. At the bottom of the form, there are three checkboxes: 'By signing up you agree to our Terms and Conditions and that you have read our Privacy Policy.', 'Examination questions are confidential and may not be copied or shared under any circumstances. I understand and agree to this condition.', and 'Email me exclusive invites, research, offers, and news from CSA.' A green 'Create my account' button is located at the bottom right of the form. A link 'Already have an account?' is also visible at the bottom.

4. After you have signed up for your account, you will receive an email containing a link to verify your account email on our system (this may take several minutes). Once you receive the email click the verification link.

5. When you have completed the verification process, you will be able to sign in to your account.

A screenshot of the "Log in to the CCSK" login form. The form has a header "Log in to the CCSK" and a sub-header "Log into your account to continue. If you do not have a CCSK Account, you may create one here." Below this are two input fields: "Email" with the value "YourEmail@deloitte.com" and "Password" with a masked password ".....". There is a checkbox labeled "Remember me" which is checked. Below the inputs are two buttons: "Login" (orange) and "Sign Up" (blue). Below the buttons is a link "Did you forget your password? - Reset Your Password". At the bottom are four social media login buttons: "Google", "LinkedIn", "Microsoft", and "Twitter".

6. When you have set up your account, your exam access should be automatically applied to your account.

7. You will then be prepared to take the Exam by setting up the “Take Exam” link. To download a pdf version of these instructions click [here](#).

Additional Information and Study Guide

You can also download the CCSK Preparation Kit for free here: [CCSK Study Guide](#). This guide breaks down the topics covered in the CCSK and provides sample questions from the Exam. It also includes links to study resources and the three documents you will need to read and understand in order to pass the Exam:

1. [CSA Security Guidance v4](#)
2. [Cloud Controls Matrix v3.0.1](#)
3. [ENISA Recommendations](#)
