5	<b>Report by the SC 27 Committee Manager</b>
	<p>The Committee Manager informed that the Resolutions taken in the course of the SC 27 Plenary in April 2022 have been actioned, as well as those which have been approved via correspondence since last Plenary meeting in April 2022.</p>
6	<b>Report by the SC 27 Chair</b>
	<p>The chair gave his report based on <a href="#">N22617</a>, highlighting the following issues:</p>

- SC 27 structure
- The activities of JTC 1/AHG 6 on ISO/IEC 27013 and ISO/IEC TR 20000-7
- SC 40 scope change
- Withdrawal of ISO/IEC TR 20000-7
- Proposed creation of a new Technical Committee out of ISO/PC 317

The Chair shared some concerns about a potential work overlap between SC 27 and ISO/PC 317 when becoming an ISO Technical Committee.

## 7 Report by the ISO TPM

Hakim MKINSI introduced himself as the new ISO TPM responsible for SC 27, and gave a report based on [N22612](#).

The TPM informed that the new edition of the JTC 1 Supplement will be published in the next couple of days, and confirmed that the current JTC 1 Supplement is to be used until the new edition is published.

## 8 Appointment of SC 27 Officers for a further term of office

No remarks.

## 9 Advisory Group Reports

9.1 The CAG Convenor gave a report based on [N22596](#).

9.2 See agenda item 9.6.

9.3 The AG 2 Convenor Support gave a report based on [N22620](#).

9.4 The AG 3 Convenor gave a report based on [N22616](#), highlighting that a low level of activity could be observed in this AG as well as on JTC 1 level, but the need for consistent terminology remains and has to be addressed.  
A decision on whether to disband this AG or continue should be taken in the course of next SC 27 Plenary, depending on its activity and the added value.

9.5 The Committee Manager gave a report based on [N22594](#) and [N22593](#). It was highlighted that AG 1 and AG 5 are proposed to merge into a new AG 5 with the current AG 5 title “Strategy”.

9.6 The AG 6 Convenor gave a report based on [N22588](#).

9.7 The AG 7 Convenor gave a report based on [N22609](#) and introduced, with a short demonstration, the new [SC 27 website](#).  
The Convenor welcomed ideas for more promotional activities and also feedback on the web site.

9.8 The JAG 25 co-Convenor gave a report based on [N22604](#).

## 10 Working Group Reports

10.1 The WG 1 Convenor gave a report based on [N22608](#).

10.2 The WG 2 Convenor gave a report based on [N22603](#).

10.3 The WG 3 Convenor gave a report based on [N22614](#).

	<p>The CCDB Liaison Representative (Elzbieta ANDRUKIEWICZ) from CCRA expressed many thanks for the successful conclusion of the IPR issue. She also informed that the CC and CEM (2022 editions) of ISO 15408:2022 (all parts) and ISO/IEC 18045:2022 are intended to be published in November this year.</p> <p>The CCUF Liaison Representative (Kwangwoo LEE) mentioned that CCUF thanks SC 27's huge progress and achievement concerning the publication of ISO/IEC 15408 and ISO/IEC 18045. He mentioned that CCUF will be closely working with SC 27/WG 3 and CCDB to collaborate the future reversion of ISO/IEC 15408 (all parts), ISO/IEC 18045, and relevant standards.</p>
10.4	<p>The WG 4 Convenor Support gave a report based on <a href="#">N22624</a>.</p> <p>The GB HoD requested a discussion on the progression of ISO/IEC 27402. The Chair mentioned that the SC leadership participated in the respective WG 4 meeting and there was consensus to progress the project to the DIS stage.</p> <p>The WG 4 Convenor gave his apologies for not being able to conduct the biannual WG 4 meeting series due to unforeseen circumstances.</p> <p>The GB HoD would appreciate a business continuity plan for all working groups.</p>
10.5	The WG 5 Convenor gave a report based on <a href="#">N22602</a> .
10.6	The JWG 6 co-Convenor gave a report based on <a href="#">N22615</a> .
10.7	The JWG 4 co-Convenor gave a report based on <a href="#">N22610</a> .
11	<b>Liaison matters</b>
11.1	The SC 27 Liaison Representative to JTC 1/AG 19 "Coordination with ISO TC 20/SC 16 on Unmanned Aircraft Systems (UAS)" gave a report based on <a href="#">N22600</a> .
11.2	The CM informed that ISO/IEC 9868 under development by SC 37 "Biometrics" in close collaboration with SC 42 and SC 27.
11.3	The SC 27-to-SC 42 Liaison Representative gave a report based on <a href="#">N22598</a> .
11.4	The CASCO Liaison Representative proposed the creation of a new SC 27 Advisory Group (AG 8) on Conformity Assessment, referring to the US contribution in <a href="#">N22622</a> and that AG 8 would address the specifics therein.
12	<b>Future meetings</b>
12.1	<p><b>April 2023</b></p> <p>The US HoD gave some information (see <a href="#">N22625</a>) about the upcoming SC 27 meetings in the US, which is scheduled as follows:</p> <p>Meeting type: face-to-face with remote participation</p> <p>Meeting venue: Redmond, WA, USA (Microsoft campus)</p> <ul style="list-style-type: none"> <li>• April 17<sup>th</sup>-21<sup>st</sup>, 2023 for WGs</li> <li>• April 24<sup>th</sup>-25<sup>th</sup>, 2023 for the Plenary</li> </ul> <p><b>October/November 2023</b></p> <p>The Ireland HoD informed about the Irish NB offer to host the SC 27 meeting series in October or early November 2023, with following details:</p> <p>Meeting type: tbc</p> <p>Meeting venue: Cork, Ireland (Munster Technological University)</p> <p>It was highlighted that the rooms will be available for 5 days.</p>

12.2	<p>The CM informed that the SC 27 Standing Document on “Meeting Benefits and Requirements” (SD27 in <a href="#">N20282</a>) is not up to date. AG 7 will update this SD.</p> <p>The Chair made aware that the numbers (room capacities etc) given in the current version of SD27 are not set in stone as we are facilitating the use of electronic means to carry out the work. Due to the new way of working (e.g. face-to-face meetings with remote participation and/or hybrid meetings), the requirements have changed.</p> <p>All NBs considering to host a SC 27 meeting are kindly invited to contact the SC 27 leadership and not be deterred by the requirements laid down in the current version of SD27.</p> <p>The Chair also mentioned that social events are a nice to have, but not necessary.</p> <p>The Austria HoD shared concerns that if all WG’s work is done via e-meetings between the Plenaries, then the WGs might not need 5 days but rather 2 or 3 days face-to-face meetings in Redmond in April 2023, and that it might not be worth travelling long distances for a 2 day WG face-to-face meeting.</p> <p>The WG 1 Convenor responded that interim (virtual) meetings have always been a part of the normal operations of SC 27 even before 2020 and COVID, therefore such meetings should not be stopped as they are necessary to progress projects in a timely and effective manner.</p> <p>The Chair mentioned that he encourages the WGs and AGs to carry on scheduling virtual meetings on demand and whenever necessary for progressing their projects.</p>
13	<p><b>Any other business</b></p> <p>No remarks.</p>
14	<p><b>Approval of Resolutions</b></p> <p>All Resolutions given in <a href="#">N22626</a> have been approved unanimously, unless otherwise indicated.</p>
15	<p><b>Closing of meeting (at 1700 UTC on 13<sup>th</sup> October 2022)</b></p> <p>The Chair thanked the attendees for their active participation and closed the meeting.</p>
